Central Arizona Water Conservation District (Central Arizona Project),  
and Arizona Bass Federation.  
are pleased to cooperate in presenting

# Lake Pleasant's 19th Annual **C.A.S.T. FOR KIDS** **FISHING DAY EVENT**

The event is hosted by Reclamation under a contract with the  
“C.A.S.T. for Kids Foundation”; the event will be held on:

**March 24, 2018 at Lake Pleasant Regional Park**

An all-volunteer event, “C.A.S.T. for Kids” was designed to create an adaptive environment where disabled/disadvantaged children, ages 5-18, and adults could both benefit, sharing a day of fun on the water that they may not otherwise have the opportunity to experience.

Children and their families will share in a day of fun and learning. The participating children will take a boat ride, hopefully reel in a big fish, enjoy a barbeque lunch, receive a plaque commemorating the day, and make some new friends.

**Maricopa County**  
Parks and Recreation

This is a very special event for those children who might otherwise never have the opportunity to experience outdoor recreation in this way, or feel the joy of catching their first fish.

Volunteers will be treated to the unique and rewarding gifts that these children so freely give and the fulfillment of giving back to their community.

**We invite you to share in the joy of assisting this event to succeed!**

***You can volunteer your time; provide your products or services;  
or contribute with a tax deductible donation.***
