

Ah the joy of fishing

Please support us as we bring that joy to many children with special needs.

C.A.S.T. is holding a day of fishing at Lake Folsom on Sunday, April 29th, 2018. This C.A.S.T for Kids event will provide children with disabilities, age 5 – 17, the chance to enjoy a quality outdoor recreational experience through the sport of fishing.

To help these children with special needs take to the water for an unforgettable morning of fishing and boating we need your help. Your donations of boats, equipment/tackle, and funds – will help us provide these special needs children with a day on the water that they otherwise might never be able to experience.

You can also help by signing up to be a Boat Captain or for other various Volunteer roles.

For more information please contact:

Brent Pierce, 916-952-0190; brent_pierce@ymail.com or visit/message us on Facebook [@CASTforKidsLakeFolsom](https://www.facebook.com/CASTforKidsLakeFolsom).

To Donate equipment/tackle and/or funds please contact:

Todd Stanley at 707-239-0957; todd@castforkids.org
