## Late Penalty

For every minute a team is late, a 1 pound penalty will be assessed for each minute late and after 5 minutes late, the entire limit for that day's catch will be disqualified.

## Restrictions

During the official competition day, contestants may not solicit and/or receive fishing information from anyone except other contestants. Non competitors are not allowed to be in the boat with contestants except in the event of an emergency (rescue, mechanical breakdown, etc.). GPS waypoints may not be provided to contestants by anyone except other contestants. Contestants may not follow a non – competitor's boat or participate in the practice of "hole sitting" or the placing of markers. The use of mobile communication devices, including, but not limited to cellular phones, marine radios, two-way radios, CB's, etc., for the purpose of sharing information during tournament hours is strictly prohibited. These devices may be used in an emergency (severe weather, health issues etc.). **Intentional snagging of fish is strictly prohibited. Culling is prohibited inside the host marina.**

## Safety

Safe boating must be observed at all times. Contestants must observe "no wake" areas including posted bridges and other areas identified by the Tournament Director. Each contestant is required to wear a fastened, U.S. Coast Guard approved, personal flotation device at all times when the combustion engine is in operation during the tournament hours. All boats must be equipped with an emergency ignition shut off device that must be securely attached to the driver's body whenever the combustion engine is in operation. At the discretion of the Tournament Director, the tournament day may be shortened, postponed, or canceled due to unsafe weather or water conditions.

## Sportsmanship

All contestants are required to follow the high standards of sportsmanship, courtesy, and conservation and to conduct themselves in a manner that will be a credit to themselves, their event sponsors, and the sport of fishing. Examples of conduct not complying with those standards include, but are not limited to, the following: Violation of or failure to comply with any of the official rules for the Tournament. Consumption and/or possession of any alcoholic beverages or any kind of mind altering substance during check-in, the pre-tournament meeting or during tournament hours extending through the weigh-in are strictly prohibited. In other words, conduct or actions reflecting unfavorably upon efforts to promote safety, sportsmanship, fair competition, and compliance with tournament rules, or which fail to comply with the standards set forth in this paragraph. In case of any conduct not complying with the standards, the Tournament Director shall have the right to refuse any application, or to deny a confirmed application, by returning the registration of a previously accepted application to disqualify a contestant.

## Boat and Horsepower Regulations

All boats must be propeller driven, be a minimum of 14 feet in length. Each boat must have all required U.S. Coast Guard safety equipment. Boats must contain a functioning aerated live-well capable of maintaining a live limit of bass. Each boat must have a clearly legible U.S. Coast Guard "Maximum Capacities" plate that includes a maximum horsepower rating affixed to the boat by the manufacturer. The horsepower of the outboard engine must not exceed the maximum horsepower capacity specified on the boat placard. By registering for the Tournament, each contestant agrees to submit his or her boat and/or motor to an inspection by the Tournament Director. Falsifying information on entry forms or altering the horsepower numbers on the motor or "Maximum Capacities" plate will be cause for disqualification from the Tournament and may result in ineligibility to compete in future events. Fishing platforms must be factory-installed equipment. No portable platforms may be used in Tournament competition. Fuel may be carried only in factory installed (built-in) fuel tanks. Any additional fuel used during the tournament day must be purchased from a retail facility open to the public.

## Permitted Fishing Methods

All bass must be caught alive in a conventional sporting manner. All bass must be hooked inside the mouth. Only artificial lures may be used with the exception of pork rinds. Only one fishing rod per angler may be used at a time. Trolling, defined as moving the bait with the assistance of the combustion engine, as a method of fishing is not allowed.

## Permitted Fishing Locations

Contestant's may fish anywhere on tournament waters within the boundaries of tournament waters available to the public and accessible by boat, except areas designated as "Off-Limits", "No Fishing", "No Boats", "Boats Keep Out", etc. by local, state or federal officials. **Inside Host Marina is "Off Limits"**

Contestants are prohibited from casting into these areas or having their boat in these areas at any time. Contestants may not fish within 100 feet of another competitor's boat that was first anchored. An anchored boat is a boat held in a stable position by a line attached to a weight or a Power Pole anchor with the trolling motor in the up position). Never shut down big motor on top of another angler's vessel. At no time may a contestant leave the boat to land a fish or make the boat more accessible to fishing waters. Contestants must leave and return to the official checkpoint by boat. The boat must remain in the tournament waters during the tournament day. No tournament boat may be loaded on the trailer before weigh-in except with the permission of the Tournament Director. In the event of equipment failure or emergency, there will be only two permitted methods of returning to the official checkpoint: By both team members remaining in their boat and being towed by water, or by one or both team members are entering the boat of another tournament contestant. Under these two conditions the team's catch may be counted without a penalty (except for late penalties, fish care penalties or other penalties pertaining to other tournament rules). Contestants who elect to return to the official checkpoint by any other means than cited above will forfeit their day's catch to that point in time in the tournament day. Any contestant returning to the checkpoint will be eligible to restart and resume competition under the supervision of the Tournament Director or his designated Tournament Official. It is the sole responsibility of contestants to locate the Tournament Director to request a restart.

### **Official Checkpoints**

There will be only one official checkpoint for boat check-in in the morning and one official check-in point in the afternoon. That checkpoint is the host marina. Failure to go through boat checkout in the morning or failure to check-in at the official checkpoint in the afternoon will result in losing credit for that day's catch. All competitors and their boats must be in full compliance with tournament rules before they can depart from the official checkpoint in the morning.

### **Live Fish**

Every effort must be made to keep bass alive through the use of a functioning aerated live-well. The use of live-well additives is encouraged to promote the healthy return of bass to their natural habitat. **Dead fish weighed in will be penalized by .25 pound (4 oz).** The tournament Director will have the final say if a fish is dead or alive.

### **Ties**

Prizes will be split equally in case of a tie. There will not be a fish-off in case of a tie.

### **Truth verification test**

Each contestant agrees to submit, by signature on the release form, to a polygraph or voice stress analysis examination and to abide by its conclusion. Failure to pass an examination will result in disqualification. Truth verification tests will be used at the Tournament Director's sole discretion, and the determination of the meaning of the results will be made solely by the Tournament Director.

### **Insurance**

Watercraft liability insurance, with coverage in reasonable amounts, is required of all contestants in the Tournament.
